AM5: Infographic Mock-up

Our infographic will have transitions that zoom in and out into the different panels. The different panels will reflect the main takeaways from the Professors study. In addition to the transitions, the animated infographic will also have mouse-over features. This will allow the viewers to get a better understanding of the data.

Panel 1

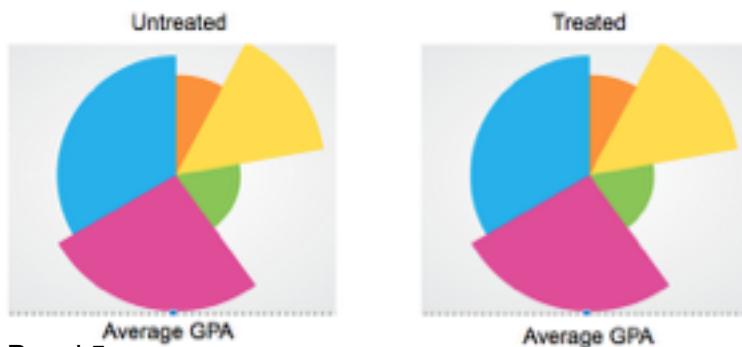

Panel 2

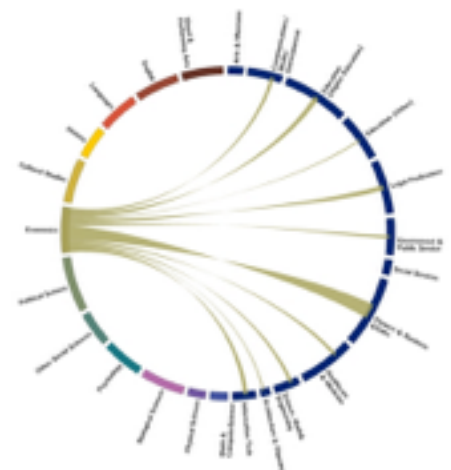

When Professors are asked to give lower grades, they give even lower grades

Panel 3

Panel 4

Panel 5

What are the Racial Impact of Grade Deflation?

Panel 6

So, do you think we should have grade deflation?
